SIR,

I have the honour to state that bills for the supply of electrical energy for the pump installed at VI Cross Road, Chamarajapet (near Kempambudhi Tank), Bangalore City were being preferred for payment by the Superintendent, Bangalore Power & Light to the Chairman, City Improvement Trust Board As this pumping unit has now been under the control of the Municipality, such bills will have to be paid from this Municipality from January 1947 onwards This item of expenditure had not been anticipated before the Budget was sanctioned for the current year Since there is no specific provision for the payment of the same, the Municipal Council at their meeting held on 27-5-1947 have resolved that the said bills may be paid from out of closing balance It is therefore requested that sanction of Government may kindly be accorded to meet the expenditure of Rs 179-4-0 out of the closing balance of the current official year
